Subject: Cultural Resources Concurrence Request, Gold Rush Metals; Fraction Load, Fraction Load 2, and Tuolumene Mines; S/045/0093; Tooele County, Utah

Dear Ms. Hunsaker:

The Division of Oil, Gas and Mining has received a proposal from Gold Rush Metals to conduct small mining operations in Section 26, Township 7 South, Range 18 West, Tooele County, Utah, for the Timm mine and in Sections 23, 26 & 35, Township 7 South, Range 18 West for an access road to the Timm mine. Enclosed with this letter are copies of the cultural resources survey report, the required cover pages, and the location map provided by the operator.

The survey for cultural resources found four isolated finds for the Timm mine site and ten isolated finds for the access road. Since these sites are not considered eligible for listing in the National Register of Historic Place, the Division of Oil, Gas and Mining has determined that there will be **No Adverse Effects** to significant cultural resources, and we seek your concurrence with this determination.

Thank you for your assistance. Please call me at 801-538-5261 if you have questions about this request.

Sincerely,

for Michael P. Bradley
for Paul B. Baker
Minerals Program Manager
